## ABOUT

### WORK EXPERIENCE | 2008 - Present

From 2008 - 2011 I was an account manager for Capital IQ (*a division of Standard & Poor's*), it was then that I realized my passion was in the arts. Since 2011, I've directed and produced hundreds of project for brands, networks and agencies including CBS, The CW, ESPN, Red Bull, Nike, Laundry Service, Malka Media, Virtue Worldwide, Amazon, Merrell, Old Spice, Zillow, and more. I spent the next 5+ years as an EP with Jalbert Productions where I managed a team of five and gained exposure to all facets of the production business. Since then, I've spent the past 5 years running my own small production company, freelance producing for agencies and animation studios, and directing. From 2018 - 2019, Tough Mudder Inc. hired me to lead all internal productions, manage a team of four and act as their liaison for all external production partners including CBS, The CW, Sky Sports and brands such as Jack Links and Nexcare. In 2022 my first feature [documentary](#) was released via major SVOD platforms and I'm currently a Sr. Producer for Virtue Worldwide.
